Marmoleum Solid

Solid-look linoleum in four textures

SYSTEM	COLLECTION	MATERIAL	COLOURS
Forbo Flooring	Marmoleum	Linoleum	10 colours

A calm, contemporary linoleum family in four textures — Cocoa, Walton, Concrete and Piano — made largely from natural raw materials.

Marmoleum Solid takes linoleum in a quieter direction: the four textures range from the smooth, pure surface of Walton to the fine grain of Piano, the mineral look of Concrete and Cocoa, which includes recycled cocoa shells.

TECHNICAL SPECIFICATIONS
